Summary

This hunt is the ultimate challenge, to hunt the premier game animal in Australia. But you have to your advantage, a top notch Guide who knows his hunting area and knows Sambar Stags like no other. Besides the hunting expertise of your Guide, you will be hunting exclusively on private land in some of Australia's most beautiful mountain country.

CHITAL STAG (AXIS) IN NORTH QUEENSLAND

Our Guides / Outfitters are offering hunting for the strikingly beautiful Chital Stag on 50 sq miles of open Savannah country in far North Queensland. Pigs and dingoes may also be taken at no extra cost to the hunter.

The hunting area is a working cattle ranch which has never been open to hunting until 2005, so it is well stocked with mature Chital Stags and plenty of big tusky Wild Boars.

Cost

1x1 3 Days hunting US\$4,800 each.

2x1 4 Days hunting US\$4,200 each. (non hunters US\$150 per day)

Extra days 1x1 US\$600 per day 2x1 US\$460 per day

Skinning boar for shoulder mount US\$250.

A deposit of 50% of the total hunt cost will secure your booking. The balance is payable 30 days prior to hunt commencement. All prices are quoted in US dollars. Your guide has quality firearms for your use at no cost. If you prefer to bring your own at least 3 months is needed to arrange an import permit. (Due to Australian laws, no semi auto or handguns are permitted)

Summary

This chital stag hunt is in the best trophy producing area in Australia, so you have the best chance of securing the quality trophy you desire. Your guide is a highly experienced Australian and International hunter who is sure to make your hunting adventure in far North Queensland one to remember.

Mule Deer, Whitetail Deer and Pronghorn Antelope in Alberta, Canada

If you're after record book Mule Deer, Whitetail Deer or Pronghorn Antelope then Southern Alberta is the destination for you.

We have been fortunate to work with a small-scale outfitter who has been getting exceptional results year after year on all 3 species. Bow hunters are welcome to take the challenge on any of these species and in fact enjoy a great success rate; especially antelope bow hunts during the rut are running at 99% on book-sized trophies.

Also early season mule deer bow hunts are achieving the same success rates on trophy book bucks. If you finish your hunt early small game can be hunted for the duration of your booked dates at no extra cost.
